Japanese Art in the 20th Century

Empire, War & Occupation

ARTH 488A

Learn how art played a role in building the Japanese empire, supporting the war effort, and rebuilding the nation after defeat.

Discover the relation between art, power and politics.

See how contemporary Japanese artists incorporate modern history into their art.

Touch history by working with archival materials.

Tuesdays and Thursdays 11-12:15
Department of Art History & Archaeology
